**ricco di
vitamine**
enriched with
vitamins

Latte in polvere vitaminizzato per l'allattamento di cuccioli di cane e gatto. Ideale come integrazione per cagne in gravidanza. Può sostituire totalmente il latte della madre in caso di necessità o essere di completamento in caso di cucciolate numerose.

Powder milk enriched with vitamins for puppies and kittens. Recommended as nutrient-rich supplement for pregnant and lactating females. For use as total replacement of mother's milk or for puppies as a nutritional supplement, if the mother doesn't produce enough milk.
